CAIRDE

DIRECTORS' REPORT

for the financial year ended 31 December 2020

Future Developments

The directors are not expecting to make any significant changes in the nature of the business in the near future. At the time of approving the financial statements, the company is exposed to the effects of the Covid-19 pandemic which has had a negative effect on its activities since the year end and has resulted in a lower than expected level of income since the year end. In planning its future activities, the directors will seek to develop the company's activities whilst managing the effects of the difficult trading period caused by this outbreak.

Post Balance Sheet Events

Since the beginning of 2021, the Covid-19 virus has continued to be a global problem. In common with many other countries, the Irish government issued guidance and new restrictions on the movement of people designed to slow the spread of this virus. In late December 2020 and early January 2021, many businesses closed and throughout the month more restrictions were placed on people and businesses. Effectively, all "non-essential" businesses were ordered to close temporarily. The impact on the company has been more limited use of the building with some staff working from home. At the time of approving the financial statements, while there is some uncertainty, however the board are confident that with the assistance of state supports there will not be a material impact on the future viability of the company.

Auditors

The auditors, Donal Ryan & Associates have indicated their willingness to continue in office in accordance with the provisions of section 383(2) of the Companies Act 2014.

Structure and Governance

The organisation is a charitable company limited by guarantee, incorporated on 10 April 1990 under the Companies Acts, 1963 to 2009. The company's constitution was updated in September 2015 following the enactment of the Companies Act 2014. The company does not have a share capital and consequently the liability of members is limited, subject to an undertaking by each member to contribute to the net assets or liabilities of the company on winding up such amounts as may be required not exceeding one pound (€1.27).

The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association and managed by a Board of Directors.

CAIRDE

DIRECTORS' REPORT

for the financial year ended 31 December 2020

Principal Risks and Uncertainties

The Directors have identified that the key risks and uncertainties the company faces relate to the risk of a decrease in the level of funding and the potential increase in compliance requirements in accordance with company, health and safety, taxation and other legislation.

The costs of running the company are consistent with prior years and are expected to remain constant in the future therefore the Directors do not foresee any risks or uncertainties in this regard.

The company mitigates these risks as follows:

- The company continually monitors the level of activity, prepares and monitors its budgets targets and projections. The company has a policy of maintaining adequate cash reserves;
- The company closely monitors emerging changes to regulations and legislation on an ongoing basis;

Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors.

On 31 December 2019, China alerted the World Health Organisation (WHO) to several cases of unusual pneumonia in Wuhan, a port city in the central Hubei province. In February 2020, the WHO officially named this new Coronavirus 'COVID-19' and on 11 March 2020 the WHO declared the coronavirus outbreak a pandemic. The initial impact of this has been severe and has resulted in a significant worldwide slowdown in economic activity. In Ireland, the economic impact of this pandemic has been characterised by the temporary closure of many businesses in "non-essential" areas to ensure that people's movements are restricted in order to slow down the spread of the virus. The effect of Covid-19 presents many risks for the company, the effects of which cannot be fully quantified at the time of approving the financial statements. The company is working with its staff and suppliers while reviewing options available under government support schemes. At the date of signing these accounts the long term impact on the company is unknown.

Reserve Policy

In line with best practice in accounting and reporting by charities, the board of directors have decided to state the charity's reserve policy within its annual report. The Board have examined the charity's requirements for reserves in light of the main risks to the organisation.

The board have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be at least two months of the budgeted expenditure. The reserves are needed to meet the working capital requirements of the charity, to deal with emergency expenditure and to fund the expansion of the charity's services going forward.

The board of directors are confident that at this level they will be able to continue the current activities of the charity in the event of a sudden drop in funding while allowing to raise other funding but not holding excessive reserves. The board have developed the reserves policy to assist in strategic planning, to inform a balanced budget and risk management process by identifying any uncertainty in future income streams.

DIRECTORS' RESPONSIBILITIES STATEMENT

for the financial year ended 31 December 2020

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard, issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be readily and properly audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

to the Members of CAIRDE

Report on the audit of the financial statements

Opinion

We have audited the financial statements of CAIRDE ('the company') for the financial year ended 31 December 2020 which comprise the Income and Expenditure Account, the Balance Sheet, the Reconciliation of Members' Funds, the Cash Flow Statement and notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", issued in the United Kingdom by the Financial Reporting Council, applying Section 1A of that Standard.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2020 and of its surplus for the financial year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the Provisions Available for Audits of Small Entities, in the circumstances set out in note 4 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT

to the Members of CAIRDE

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based solely on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with the Companies Act 2014.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited. In our opinion the financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the company. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT to the Members of CAIRDE

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is contained in the appendix to this report, located at page 12, which is to be read as an integral part of our report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

CAIRDE

APPENDIX TO THE INDEPENDENT AUDITOR'S REPORT

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

19. POST-BALANCE SHEET EVENTS

Since the beginning of 2021, the Covid-19 virus has continued to be a global problem. In common with many other countries, the Irish government issued guidance and new restrictions on the movement of people designed to slow the spread of this virus. In late December 2020 and early January 2021, many businesses closed and throughout the month more restrictions were placed on people and businesses. Effectively, all "non-essential" businesses were ordered to close temporarily. The impact on the company has been more limited use of the building with some staff working from home. At the time of approving the financial statements, while there is some uncertainty, however the board are confident that with the assistance of state supports there will not be a material impact on the future viability of the company.
