

# CELEBRATING ROMANI LANGUAGE

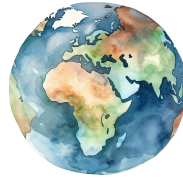

This poster was created by Cairde's Roma Education Programme and Friends of the Earth to raise awareness of Romani language and the impact of climate change on Roma communities. The Roma Education Programme brings together Roma in Ireland to participate in online classes in English, computers, and other subjects. There are different dialects of Romani language and the words below reflect the words used by the participants in the Roma Education Programme.

Cam  
Sun

Conoto, shonet  
Moon

Globo  
World, earth

Manus, manos  
People

Primavara  
Spring

Milai  
Summer

Toamna  
Autumn

Ivend  
Winter

Brasand, prasand  
Rain

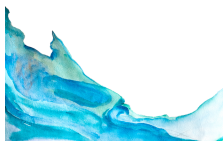

Lag, yag  
Fire

Varval, balval  
Wind

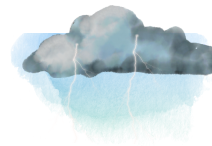

Thu, tu  
Smoke

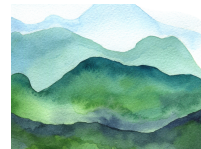

Pai  
Water

Lu  
Snow

Bar  
Storm

Drom  
Land

Gargaunea, biromni  
Bee

Maso, maceo, masio  
Fish

Balo, melo  
Pig
